Greatest Cloak and Suit News

that the New Year Can Bring.

Sweeping Reduction Clearance Sale of All Regular Stock.

Augmented by Three Immense Purchases at Half Value.

You'll never find better values nor more attractive garments than we place before you now. The peculiar advantage of this clearing sale is that of wide assortment. Stocks are quite as complete and beautiful as they were at the opening of the season. Thank us for that. Our unhesitating purchase of three great wholesale stocks brought the garments here at half actual value and less. We are confident that these offers will break every retail selling record of the season—in New York or out of it.
